

EO deodorant detox

30 day challenge

1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30!					

Make the switch
without the stink!

EO[®]
deodorant detox

It can take up to 30 days to transition to natural deodorant, and sometimes odor can actually increase before your body comes back into balance.
Stick with it!

As you make the switch, use this countdown calendar to track your progress. And don't forget to share your journey on social with **#deodorantdetox**
